CLASS HISTORY

In the year of 1949, eighteen "forty-niners" commenced their journey which ended with a sheep skin on the night of April 24, 1953. Along the way three beginners fell by the wayside but we were happy to pick up two on the way, finishing with seventeen.

Our first officers were: Esther Bartley, Junie Himself, Lucille Weisheit, and Tom Kellams.

On October 13, 1949 we were officially initiated by the sophomore class. On December 2, a member of our class, Miss Martha Schnaus was crowned basketball queen for 1949-50.

We had four parties in our freshman year and closed the books for our first year when our class and Mr. Buechler took an interesting educational trip to Evansville. We visited the State Hospital, Evansville College, Evansville Courier and Press, saw a movie and a Braves ball game.

Four months without a party was too long so we had a chicken fry at Wagner's pond during the vacation.

For our sophomore year we had Mr. Roy Allen as our sponsor and Junie Himself, Melvin Sermersheim, Mary Bonifer and Martha Schnaus were our officers.

On October 19 we entertained and initiated 21 green freshmen, a party we had long awaited since the year before when we were initiated ourselves.

The attendants for the 1950-51 basketball queen were Eleanor Gehlhausen and Esther Bartley.

At the end of the school year we took a class trip to Wyandotte Cave.

The next September we were jolly juniors and in our last half of high school. Mrs. Frances Weaver was our class sponsor and Eleanor Gehlhausen, Jim Weisheit, Jeanie Murray, and Tom Hoffman were our officers.

The senior class took us to a movie at the Drive In. After the movie we had lunch at Yaggie's restaurant.

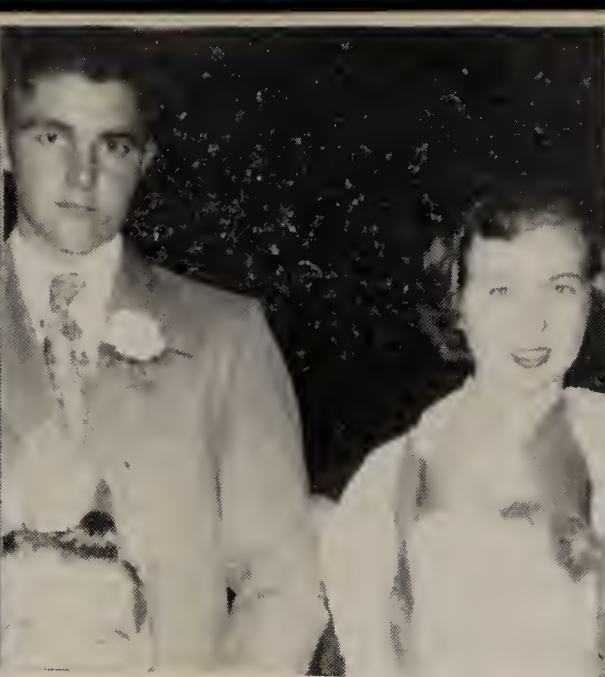

In November our class sponsored a stocking foot dance in the gym.

The class sold magazines to raise money for the Junior-Senior Prom.

Attendants for the queen's court were Gladys Ragle and Helen Sermersheim.

Then an important event took place, an event we had long looked forward to—our first class play.

We presented a three act comedy play entitled "The Atomic Blonde" with Mrs. Weaver as our director.

The Junior-Senior Prom was held at the American Legion Home on April 22, 1952. The king and queen were Leland Durcholz and Marita Gress.

We had a party and took a class trip to Spring Mill on the last day of school.

Then came our final and most important year of high school—our senior year. Mr. Earl Buechler was our class sponsor and Tom Hoffman, Mary Bonifer, Lucille Weisheit, and Junie Hinsel were our class officers.

We gave a drive-in party for the juniors. After the movie we all had lunch at Sakel's Drive In.

"Comin' Round the Mountain" was the title of our senior play, which was given on October 15 and 16. The director of the three-act hillbilly play was Mr. Buechler. We had a party after the play at Martha's house. Some of the things which the senior class sponsored during the year were a leap year dance; a bake sale; a stocking-foot dance; and the Christmas Party.

Miss Esther Bartley was our basketball queen for 1952-53. Mary Bonifer was the maid-of-honor, and Martha Schnaus was the attendant.

We all enjoyed ourselves at the chicken-fry which Mr. Buechler gave us.

At the *Irishite* meeting held at the editor's home, Jeanie Murray's mother served a delicious chicken dinner.

All of our work was done with a purpose in mind. On April 26, we left on a wonderful trip to Washington, D. C. and New York City. On Sunday May 3, when we stepped off the B & O car our senior year and high school days were past.

CLASS POEM

This little poem is a reminder to you,
Of the class of "53" whose school days are thru.
We've served our four years, and loved every day;
From our freshman initiation, to our senior class play.
Esther became our basketball queen.
In all of the crowning, she stole the scene.
Mary's the gal who drives a Nash car,
Her ambitions in life are to go very far.
Bushie's the guy whom you all know.
He takes a lot of teasing, but he's a good old "Joe".
Eleanor is the blondie of our class.
She makes good grades and she's pretty nice.
Junie is the boy that can use the basketball;
He started out little but ended up tall.
Tom H. was our class president our senior year.
He led us well with lots of cheer.
Don was a transfer from another school,
But he fit in well with the rest of the crew.
Tom K. is the envy of many a boy,
For his personality, looks, and he's known as Roy.
Ronnie was a very good helper known all over town,
He's the fellow who sure gets around.

Jeanie led us through the basketball seasons;
She helped us keep winning, for quite a few reasons.
Gladys is known for her pop corn,
Her niceness and her walks in the morn.
Martha's a gal whom you all know,
You should see her light up when you mention Joe.
Helen is short and is she sweet,
She's very mischievous, and hard to beat.
Melvin has more names than any other guy,
He's lots of fun and not so shy.
Jerry is very good lookin, I'll say if I can,
A real swell guy to have for a friend.
Jim has a mischievous look always in his eye,
An innocent fellow and a pretty nice guy.
Lucille who was our Santa Claus,
Was always working but never a boss.
We've had lots of fun, and wish we could stay,
But we've all looked forward to graduation day.
We'll miss all of you after we're gone,
For you were our friends of whom we were so fond.

CLASS PROPHECY

Since I have tucked my little grandchildren to bed, I think I'll sit up awhile and read. Let me see, what book would I like best. Here it is, the old school album. This should suffice for tonight. Now to enjoy the rest of the evening, I will get a comfortable chair and sit in front of the fireplace.

The first picture I come to is that of Miss GLADIOLIA LELAND REEGAL the famous movie actress whom we all knew by the name of GLADYS RAGLE. Miss REEGAL had won an academy award for her performance in the picture, *Where Art Thou, Romeo?* She married the producer of this picture and is still starring in pictures.

DONNIE JOHNSON and RONNIE MALAN, who both became middle-weight boxers and married twin sisters, are next in this album. Both DONNIE and RONNIE had become such good boxers that they were forced to fight each other for the championship bout. Nothing much happened until the 15th round when DON and RON each landed a hard slug that knocked them both out. After that they retired and vowed never to fight again.

MARY BONIFER joined the waves soon after she graduated from college so that she might be close to her future husband, who is in the navy. She decided to make it her career. MARY is still an Admiral and is planning to retire soon if the Waves can get along without her. Maybe she can finally settle down with her husband who is also retiring.

The Great Sebastian whom we all knew by the name of JIM WEISHEIT has been one of the world's most daring trapeze fliers. He has been with many of the great circuses and has traveled all over the world. At present he is the owner of his own circus and his son is the manager. All the women will remember *The Great Sebastian!*

MELVIN SERMERSHEIM became a pilot and took many trips around the world. Later he joined the Air Force, piloted a jet plane and soon became a jet ace. In later years, after re-

tiring, he took trips in his private plane. On one of these trips he was forced to land on the Hawaiian Islands. There he met and married a dancer who had lovely black hair and golden tan complexion. Later it was learned the girl was none other than ELEANOR GEHLHAUSEN. ELEANOR had earlier in life decided that she had one purpose in life and that was to get rich. She used every disguise possible and when the fabulous SERMERSHEIM came along, she made the catch. MELVIN seemed well pleased with the whole set-up.

THOMAS GENE HOFFMAN is president of the *American National Bank* of New York City. It seems as if the women just couldn't let Mr. HOFFMAN alone. They were all running after him for his money, and of course *his looks*. At the last report he was married to his sixth wife, Madame Fifi of Bourgandy. TOMMY's philosophy is *work for the women, for what else is there in life?*

MARTHA SCHNAUS had been modeling clothes for the *Sten and Nagel Co.* She married the boss of this company and took up housekeeping, and seems to enjoy it very much. MARTHA recently has received the honor of being named grandmother of the year. She has 16 grand-children and 46 great-grand-children.

JEROME BUSCHKOETTER has been a great success for the past twenty years in his own TV show which has been the favorite program of millions of kids. Every day you will find him on the *Katterbush Kid Program*. Although he has made millions, the public just won't let him retire. The *Katterbush Kid* is on every puffed wheat box put out. Three rahs for BUSHY!

I then turned the page and there was the picture of Helen Sermersheim, the famous opera singer. Miss Sermersheim had sung in the Metropolitan Opera and many other widely known places. Before taking up singing, she was world champion swimmer in the Olympics. Critics have placed Helen with the best in the "long-haired" profession.

After graduating from IU where he took up coaching and teaching JUNIE HIMSEL came back and taught at Ireland High. The first year he coached here his team took the sectional and the third year they took the state. That summer Junie took a trip to Mexico and became so interested in bullfighting that he made it his career. In his last fight he had his patella dislocated and may not be able to ever thrill the ladies again.

Next is the picture of LUCILLE WEISHEIT. I am sure that everyone has heard of *Lucy's Skaters*. Lucille is the star of her own ice show; she also produces the shows. She has appeared in practically every state with her show and millions have seen her. Lucy's leisure time is taken up by her hobby of braiding horsetail hair into bracelets and necklaces.

JERRY WAGNER, who is now Dr. Jerome Wagner, has made a big success of himself. At present he is practicing his profession in the great city of Ireland. Some of the sickness he cures are love-sickness and home-sickness. It has been said that he is making a wonderful living for his family of 15.

Then there was the picture of JEANIE MURRAY. She has been with a rodeo show all the time until she tried to ride the *Dangerous Black Stallion*.

No one ever stayed on him for more than 30 seconds. The wonderful *Feenie*, as she is called, had the 85,000 people shouting and screaming for 4 minutes and 39 seconds when it happened. Jeanie's 3 yards and 29 inch hair got caught in the stallion's back feet and threw her. The young one ended up in the doctors office and from there on she took up a different profession, that of housekeeping.

TOM KELLAMS is now a world famous big game hunter. He has hunted in the darkest parts of Africa and many other dangerous places. You can go in Tom's house now and find the heads of many ferocious animals, which he killed, hanging on his walls. If you have Tom to tell you of his experiences, you will probably find your hair standing on end.

Last was the picture of ESTHER BARTLEY, now Mrs. Tomkell. She has become very famous and is known as an international lecturer and writer. Her latest book which has become a best seller is entitled *How to Bathe Without Getting Wet*. At the last report received from Africa, she was lecturing to the natives in Belgian Congo on how to treat frost bites.

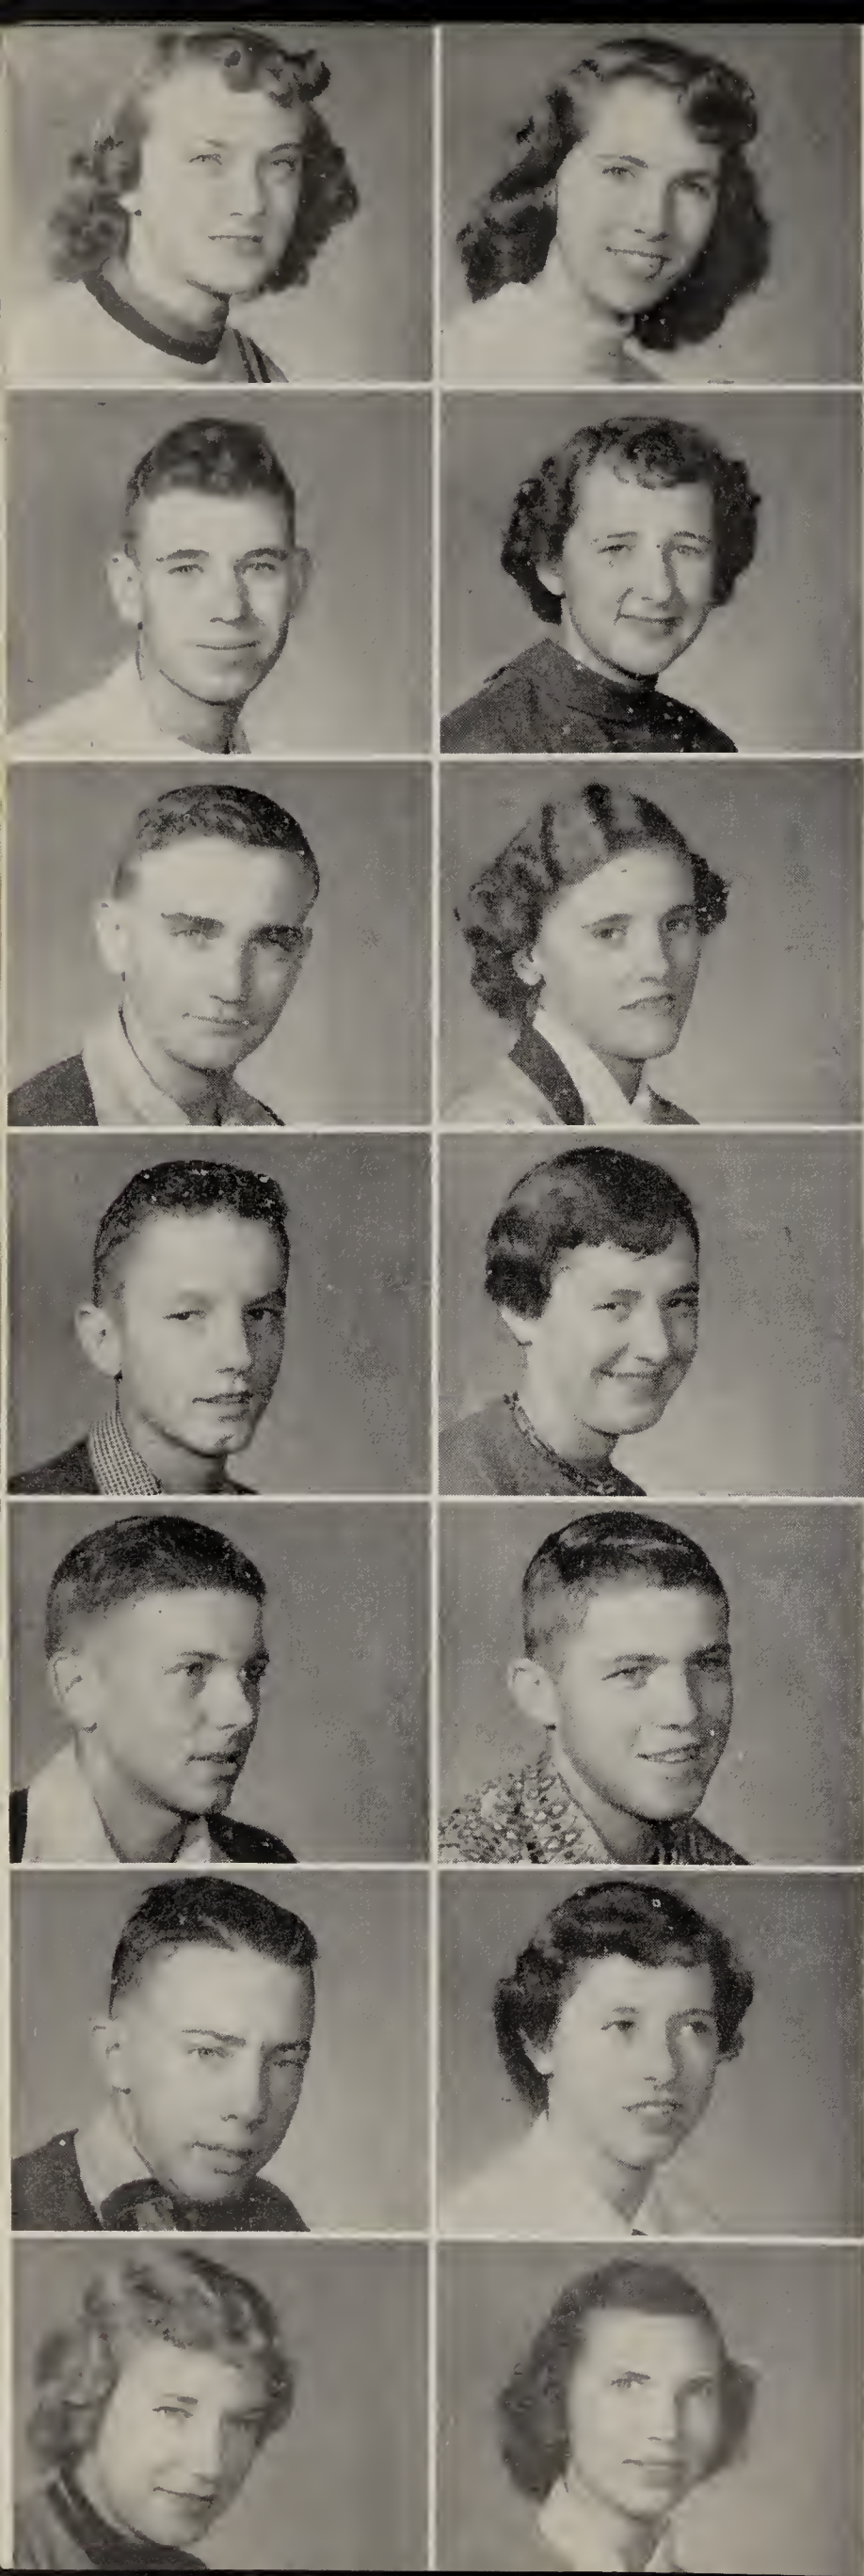

Oh my! it's midnight and high time for bed. This certainly has been an enjoyable evening.

introducing underclassmen

Junior Class

On September 2, 1952, 14 Jolly Juniors entered school and are preparing for the senior year which is yet to come.

At the first class meeting the president from last year took over until we had our new officers elected. The new officers are as follows: Marlene Vonderheide, *President*; Lavonne Dillon, *Vice-President*; Dave Schitter, *Secretary*; and Sylvester Rohleder, *Treasurer*.

Four members from our class are on the basketball team. They are Dave Schitter, Sylvester Rohleder, Charles Lee Mendel, Charles W. Mehringer. Gladys Schitter represents our class from the cheering section.

On November 10, we elected two members to represent the junior class in the Queen's Court. They were Marlene Vonderheide and Frances Mehringer.

One of the most important events of the school year was the Junior-Senior Prom, which was held the latter part of April. A delicious dinner was served at 6:30. The rest of the evening was spent dancing to the music of a popular orchestra.

The Junior Class Play was given the middle part of April. The play kept the audience laughing from start to finish. Miss Garrison directed the play. The entire class participated in the play.

During the year several parties were held. These parties were made possible by selling cokes at the basketball games. We also had a magazine and Christmas card sale to raise money. Everyone in the class helped to make the money. One party was given to us by our class sponsor, Mr. Barkley, with the help of Mrs. Weaver. Everyone enjoyed the party.

First Row—SHIRLEY BRESCHER, LAVONNE DILLON,

Second Row—DALE DURCHOLZ, MARY LOU DURCHOLZ.

Third Row—JACKIE HAYES, GERRY HOFFMAN.

Fourth Row—CHARLES MEHRINGER, FRANCES MEHRINGER.

Sixth Row—DAVID SCHITTER, GLADYS SCHITTER.

Seventh Row — VIRGINIA WEIDENBENNER, MARLEEN VONDERHEIDE.

Sophomore Class

Seventeen silly sophomores full of mischief entered Ireland High School on Sept. 6, 1952.

We elected class officers as follows: Pres. Betty Schnaus, Vice Pres. Linda Sermersheim, Sec. Monica Terwiske, Treas. Daniel Hopf, Sponsor Mr. Kemp.

From our class we had Betty Schnaus as one of the four cheer-leaders, and Monica Terwiske and Joan Durcholz in the Queen's court.

On Sept. 23, we initiated 30 Freshmen. We treated them to a shampoo, some worms, raw eggs, cats eyes, electric shock, and etc. By the time we were finished with them they were a sight for sore eyes.

We ordered and received our class sweaters. They are blue with blue letters and numbers on a white background. We have our class rings ordered and expect to receive them in April.

And so 17 silly sophomores say goodbye to Ireland High School hoping all will be back next year as Jolly Juniors.

First Row—DANIEL HOPF, THOMAS SENDELWECK, JOSEPH JAENT.

Second Row—MONICA TERWISKE, URBAN SCHWENK, JOAN DURCHOLZ.

FRESHMEN

On September 2, 1952, thirty freshmen entered Ie-land High School. We were so green that when the teacher told us to study, we actually did.

On October 9, 1952, we were tortured nearly to death by the initiation which the sophomores gave us. It turned out to be a lot of fun for the sophomores and for us too. On October 29, the freshmen gave the sophomores a return party for being so *nice* to us at initiation.

About the second week of school we chose our officers. They were: President, Don Bellner; Vice-Pres., Bonnie Dillon; Treasurer, Ruthie Freyberger; Secretary, Joan Schnarr.

Six of the thirty freshmen came from Boone Township—four girls and two boys.

We were glad to have a cheerleader chosen from our class; she was Delores Weisman. Six freshmen boys went out for basketball; they are Richard Gress, Pete Armstrong, Allen Weisheit, Gary Schmitt, Mike Schmitt and Don Bellner.

We've come a long way since Sept. Now we feel as if there is little left for us to learn but we'll be back next year—then as *silly* sophomores.

Row 1—CHARLES ARMSTRONG, BONNIE DILLON, RICHARD GRESS, PHYLLIS ARMSTRON, GARY SCHMITT.

Row 2—MIKE SCHMITT, RUTH FREYBERGER, KENNETH HOFFMAN, JACKIE SERMERSHEIM.

We had luncheon at the hotel, which was followed by a tour of the Congressional Library, Folger Shakespearian Library, Supreme Court Building and United States Capitol Building. The evening was open for individual pleasure.

On the third day we took a sightseeing tour of the Bureau of Engraving and Printing, and also stopped at the Washington Monument for a trip to the top. We then went to the White House, the home of President Eisenhower.

As the day before, we had lunch at the hotel. In the afternoon we took a sight-seeing tour of the Arlington Cemetery, at Alexandria, Mt. Vernon, and also saw the Lincoln Memorial.

On the fourth day we went to the Old and New Museums, Aircraft Building, Army Medical Museum and National Gallery of Art.

On Wednesday afternoon we left our beautiful capitol, and proceeded on to the biggest city in the United States, New York City. The first evening was spent walking down Broadway, and seeing a top-notch play. Thursday morning we visited Radio City and took a trip through the Bronx and other places of interest, on top of a double decker bus. Thursday afternoon we visited the U. N. Building. Friday morning was spent taking a yacht cruise down the Hudson River. Saturday morning was spent going to the top of the Empire State Building, and visiting other places of interest. In the afternoon we enjoyed shopping in the big city. At 3:30 P. M. we again boarded the B. & O. and at 9:30 Sunday morning we arrived back home in Washington, Indiana. Our long awaited trip came to a close but will never be forgotten.

Junior Class Play

On March 6, the Junior Class commenced practice for their comedy, which was presented in April. The cast was chosen and from the first practice on, the play was an assured success. The director of the comedy was Mrs. Barkley, to whom much of the success was accredited. The large receptive audience was high in their approval for the Juniors and their director.

Crowning of the Basketball Queen

Esther Bartley, daughter of Mr. and Mrs. Herbert Bartley, was crowned basketball queen for the 1952-53 basketball season. The maid-of-honor was Mary Bonifer, and Martha Schnaus was the other senior attendant. The queen and maid-of-honor were dressed in white and the other attendants were dressed in light green. The queen and her court carried bouquets of white carnations with a background of green ferns. The stage was decorated in green and white, trimmed with red roses. SPUDS was written in simulated silver.

The under-class attendants were Marleen Vonderheide, Frances Mehringer, Monica Terwiske, Joan Durcholz, Joan Schnarr, Mary Ann Kieffner.

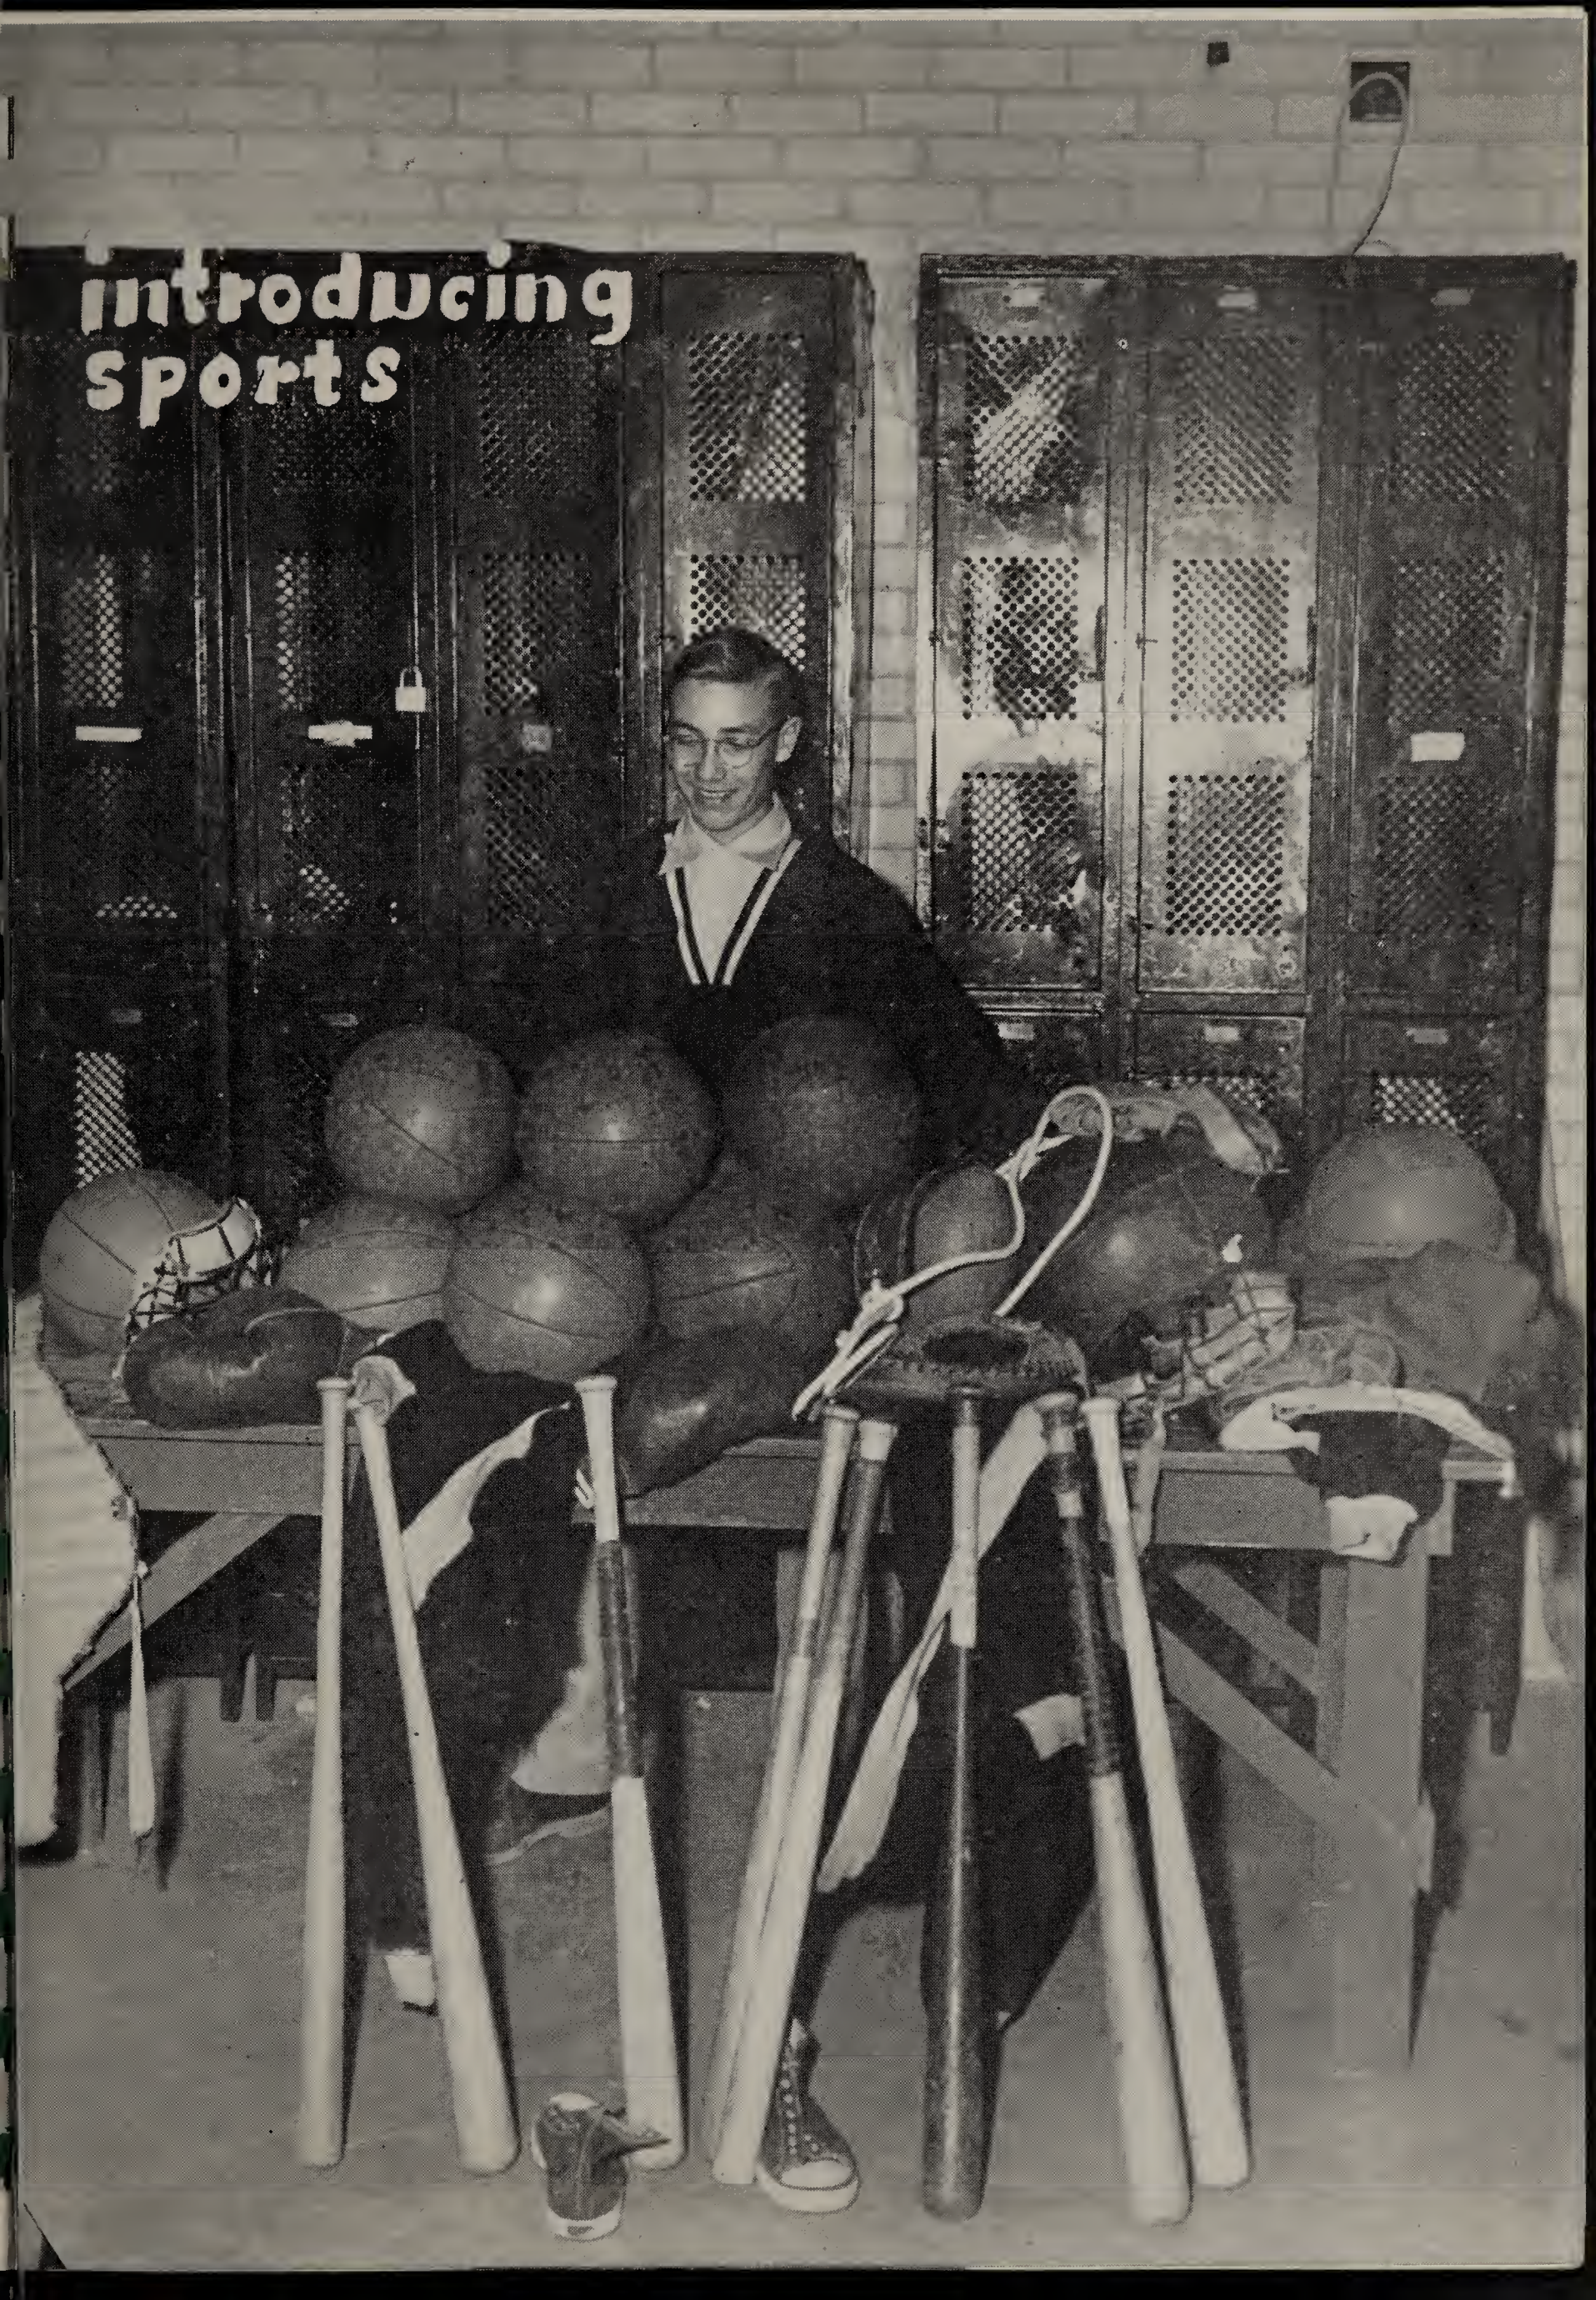

The crown bearer was little Miss Gaye Padgett and the ball carrier was little Tommy Kunkel.

The Seniors were again in charge of the decorations and the plans.

Captain Jerry Wagner had the honor of crowning the lovely queen. Music for the coronation was furnished by the Ireland High School Band.

introducing sports

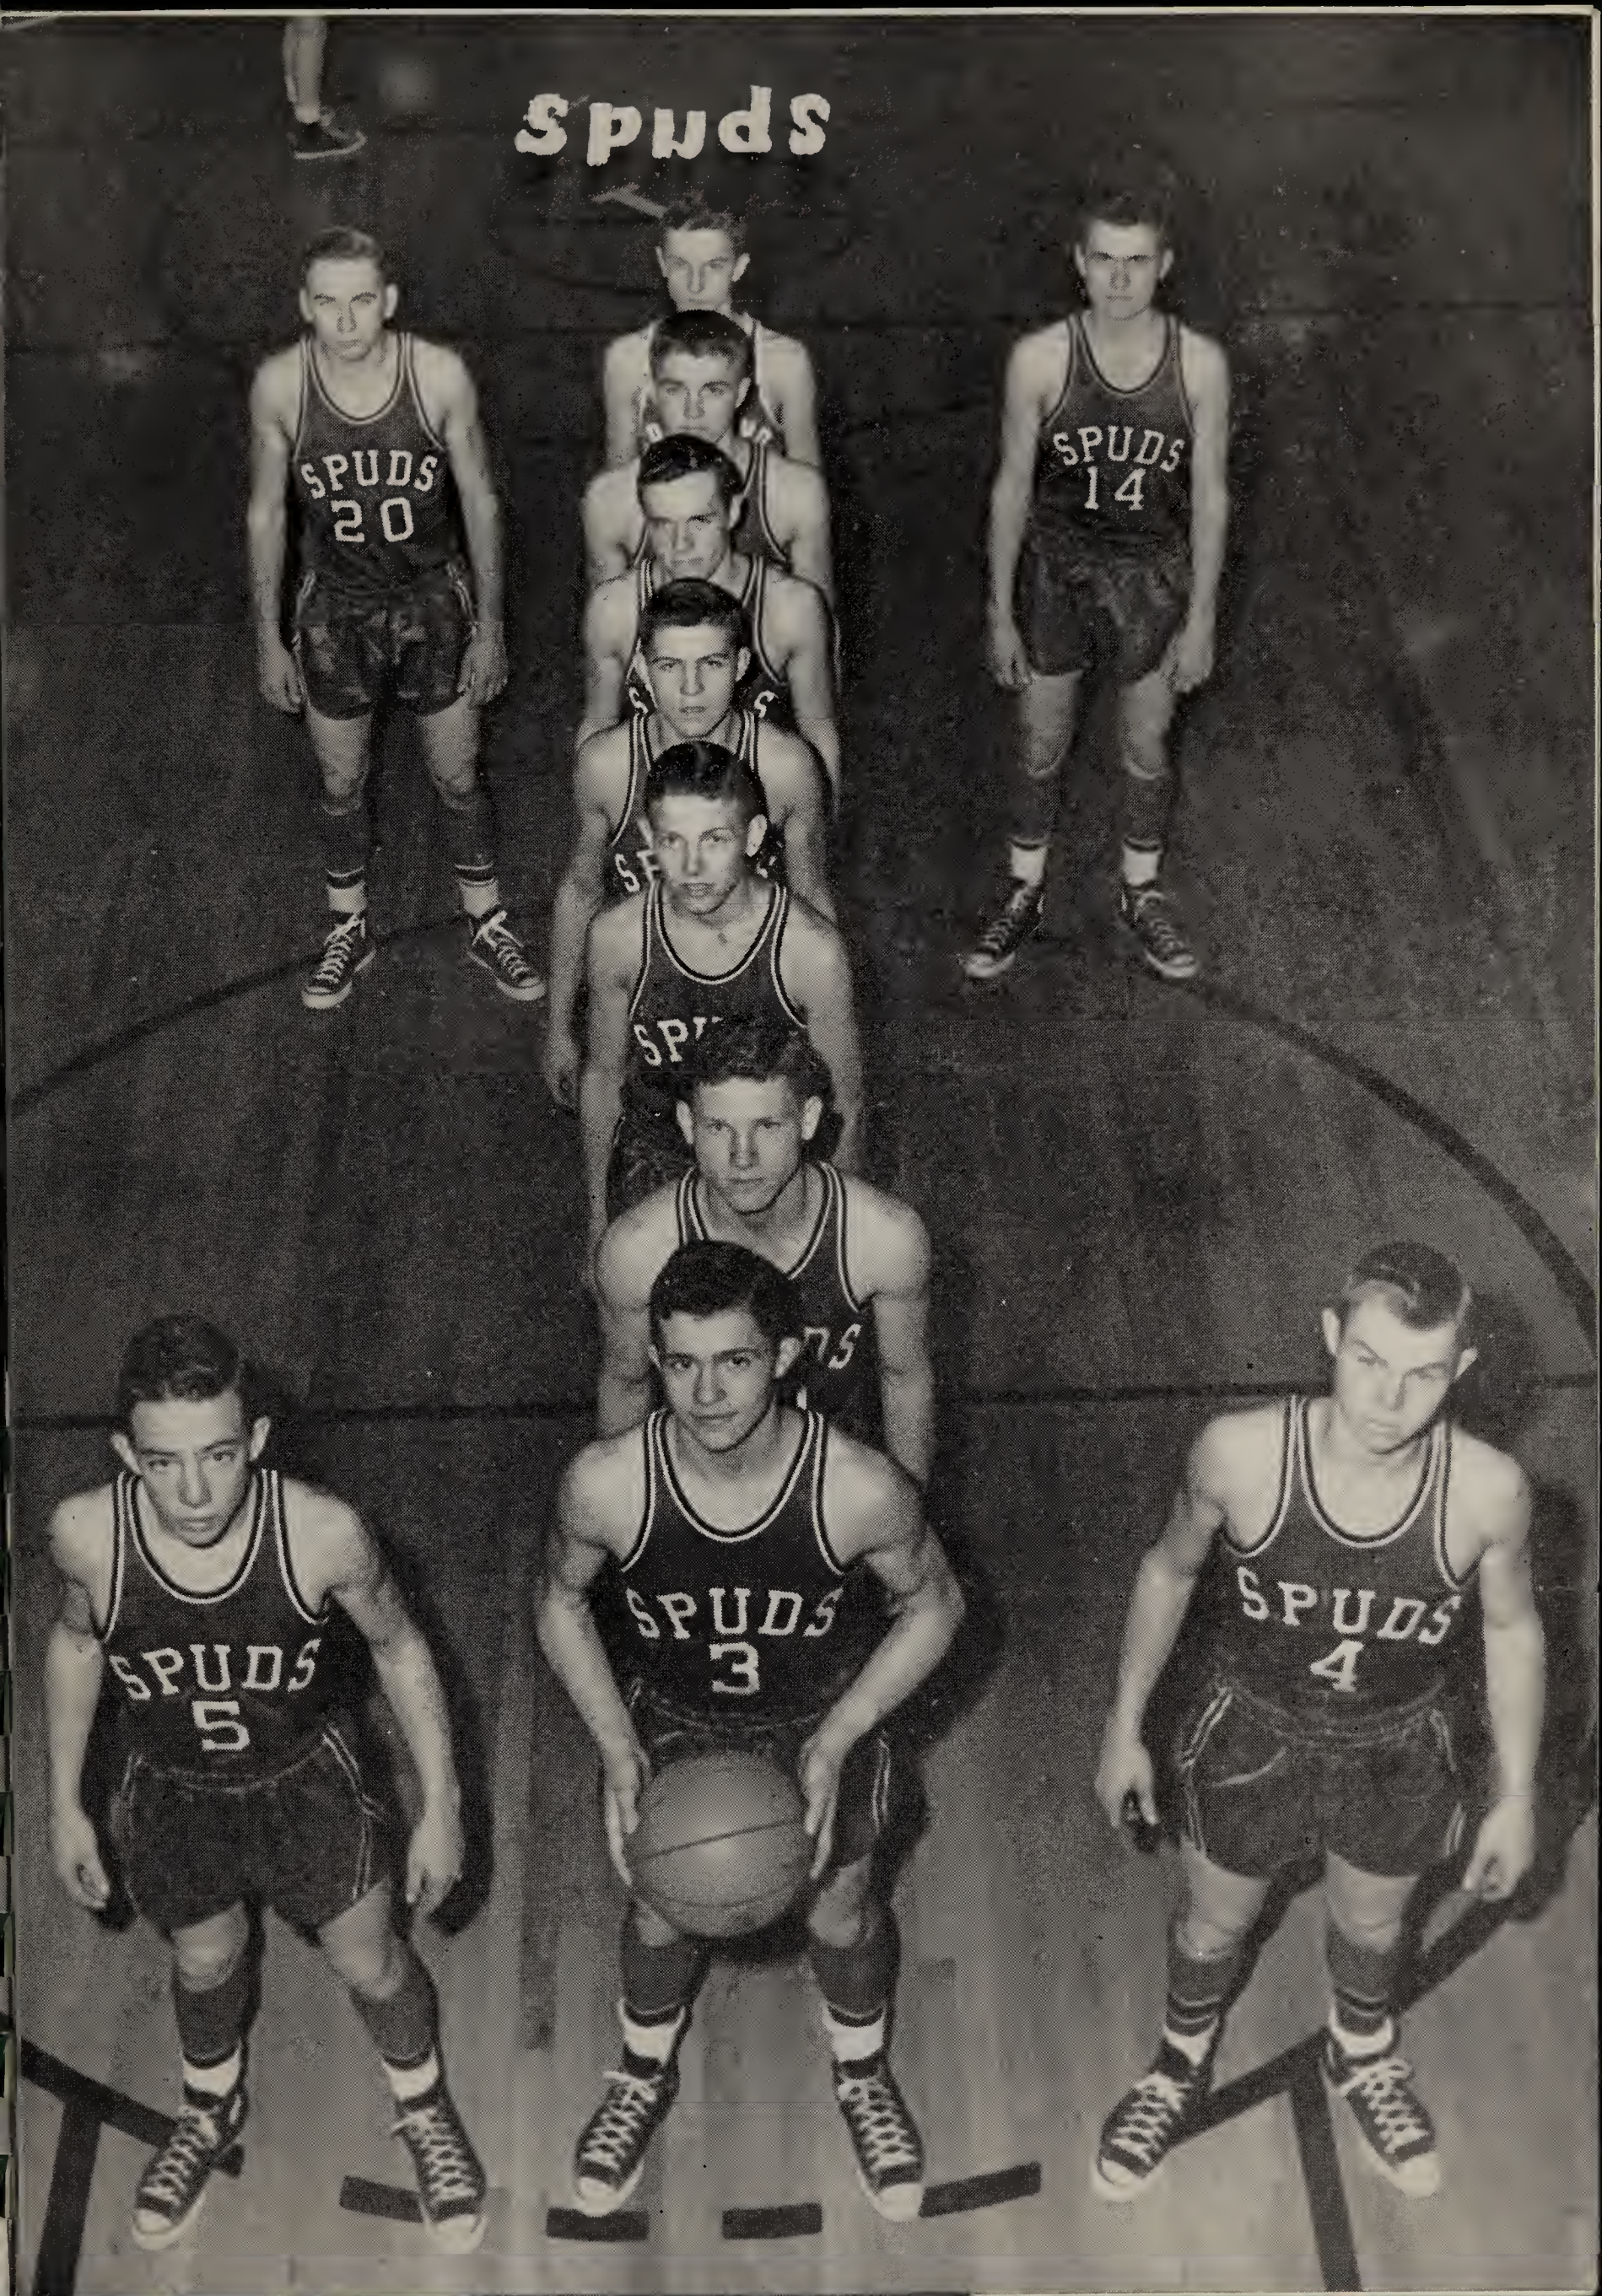

JERRY KEMP—A product of Otwell High School, Jerry went to Purdue and graduated in 1950. He began his second year as coach of the 52-53 successful Spuds. Jerry was always keeping his team in a good fighting spirit. His two years here at Ireland were very successful and *The Staff* wishes him the best of luck in the future.

ALBERT MILLER—Bobo became assistant Student manager his first year at Ireland High and learned all the steps of a good student manager. Next year he will take over from Bushy as the head man. Albert has the makings of another good student manager as we always had in the past.

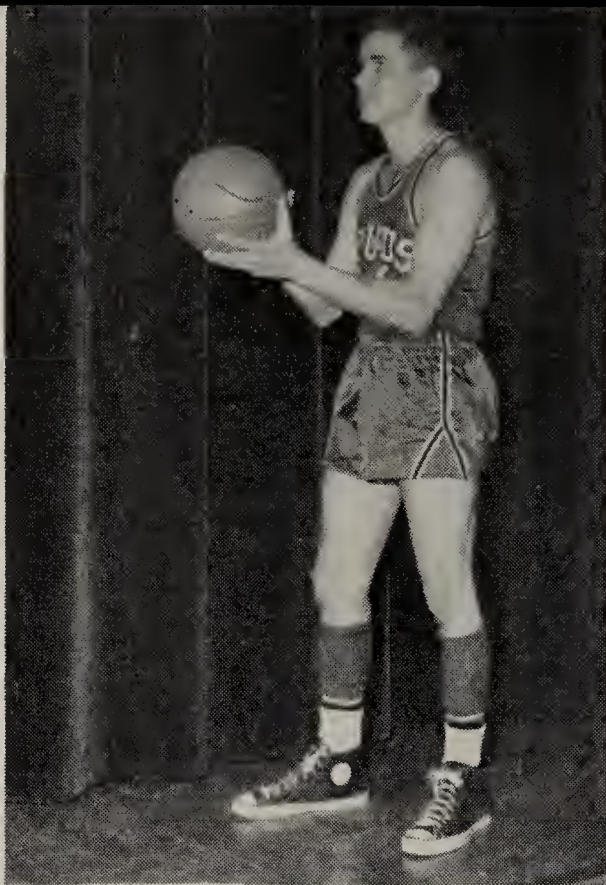

EARL BUECHLER—Better known as "Woody" Mr. Buechler has been assistant coach four years at Ireland High. "Woody" has been a valuable asset to the team with his school spirit. He was always ready to lend a helping hand where ever he was needed.

spuds

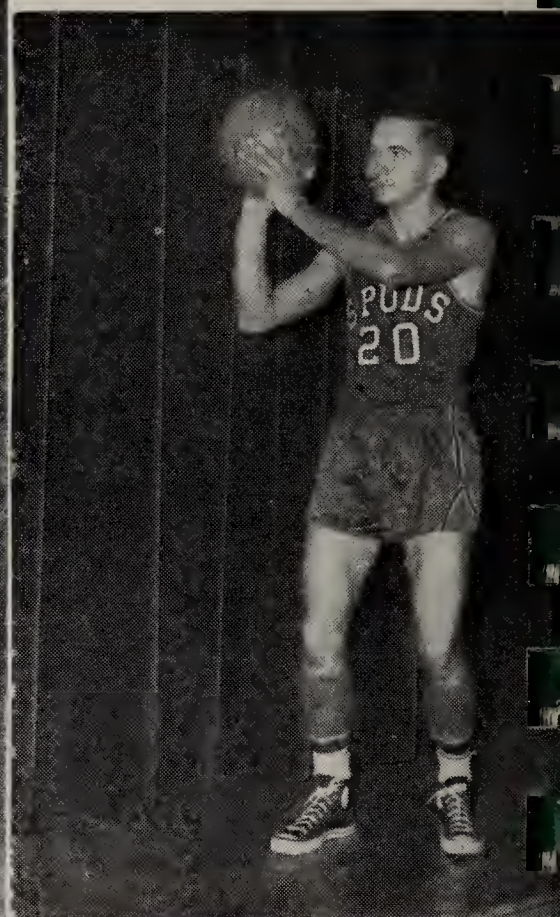

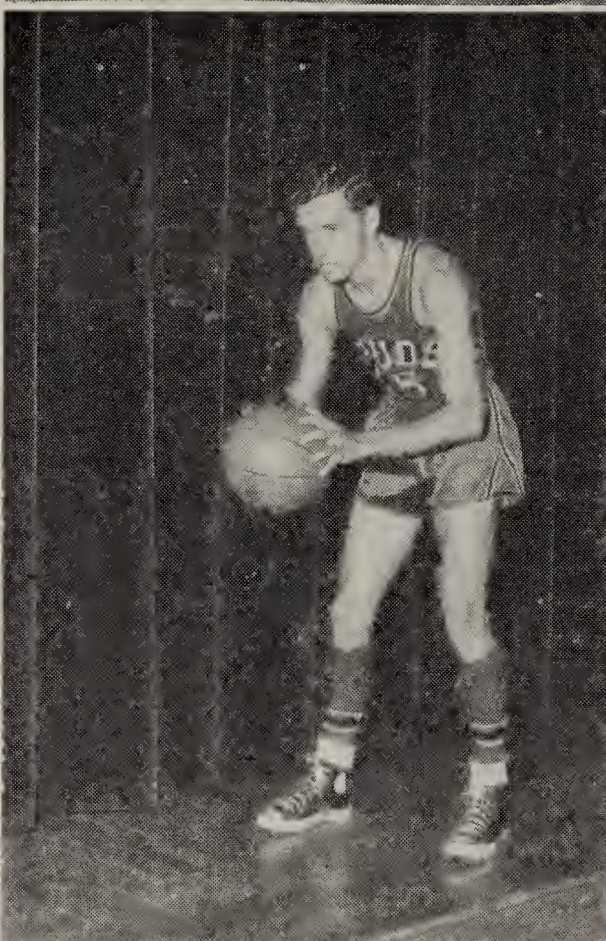

OUR

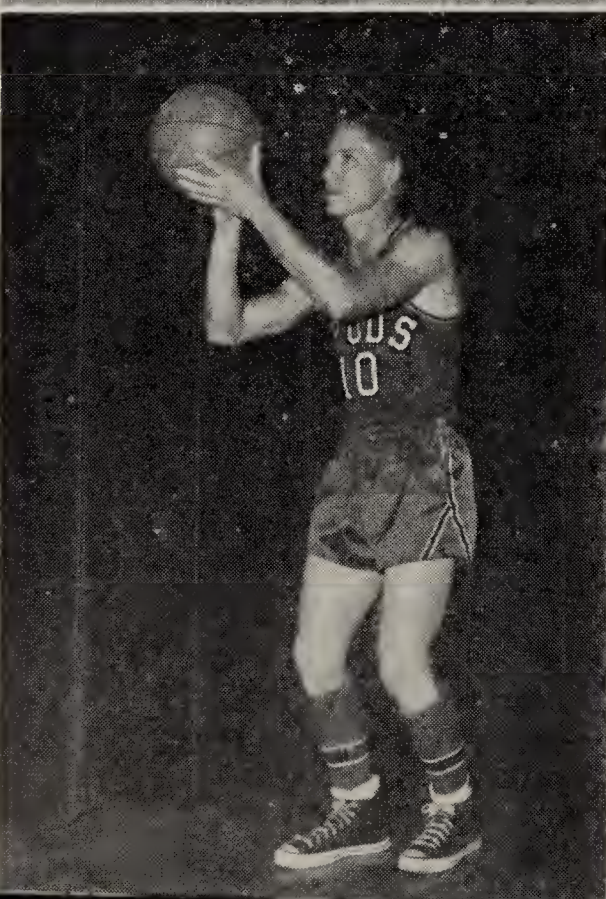

JERRY WAGNER—Jerry was probably the most improved player of the year. Jerry's aggressiveness, spirit, and even his comical antics at practices will be missed next year.

TOM KELLAMS—Tom was another three year varsity member. He was one of the hardest working and most likable fellows ever to wear a Spud's uniform. Much of the team's success is accredited to Tom.

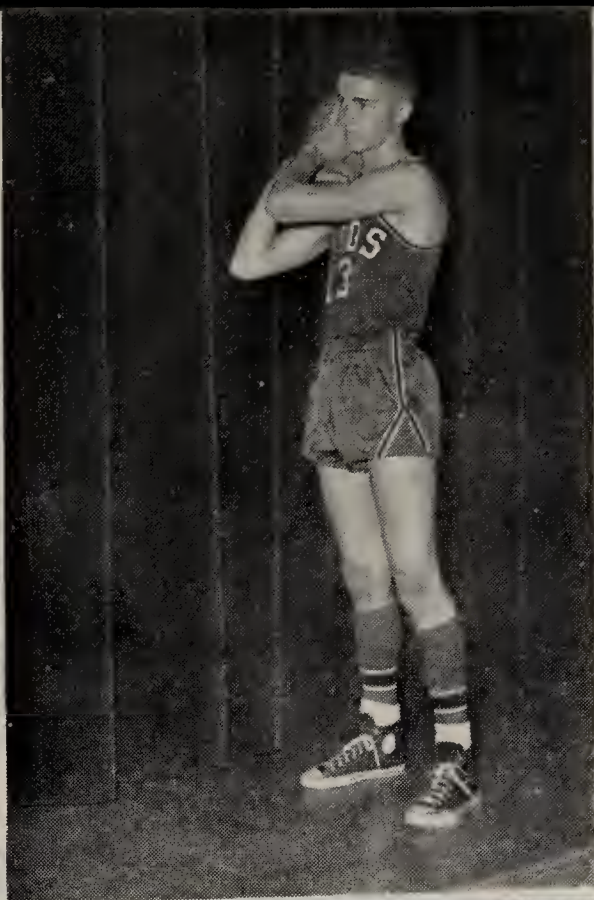

DON JOHNSON—Don was a newcomer from Dubois who proved to be very valuable to the Spuds in his Senior year. He was fast and had a good one-handed push shot.

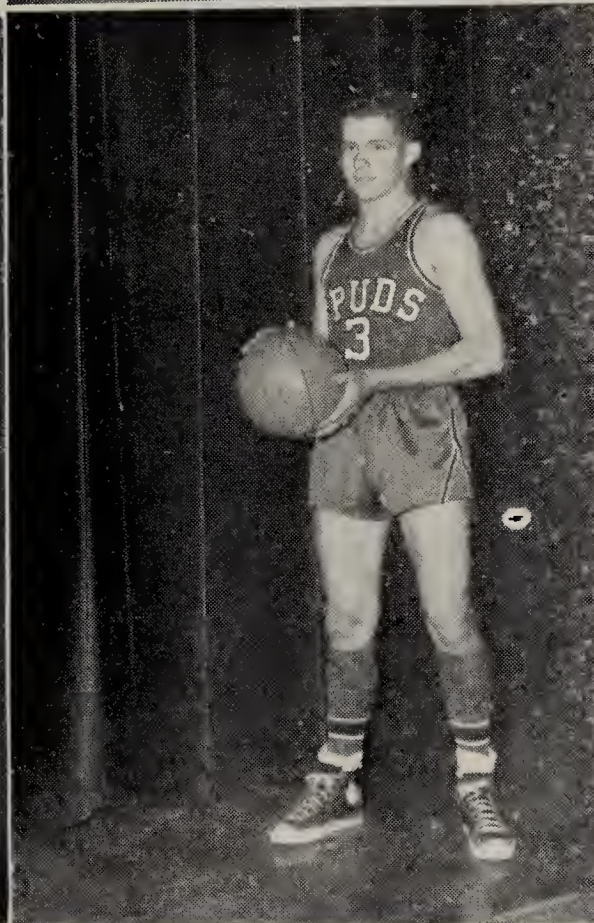

TOM HOFFMAN—Tom, a starter for three years, played forward and center for the Spuds, and was an excellent rebound man and one of the leading scorers on the team.

SENIORS

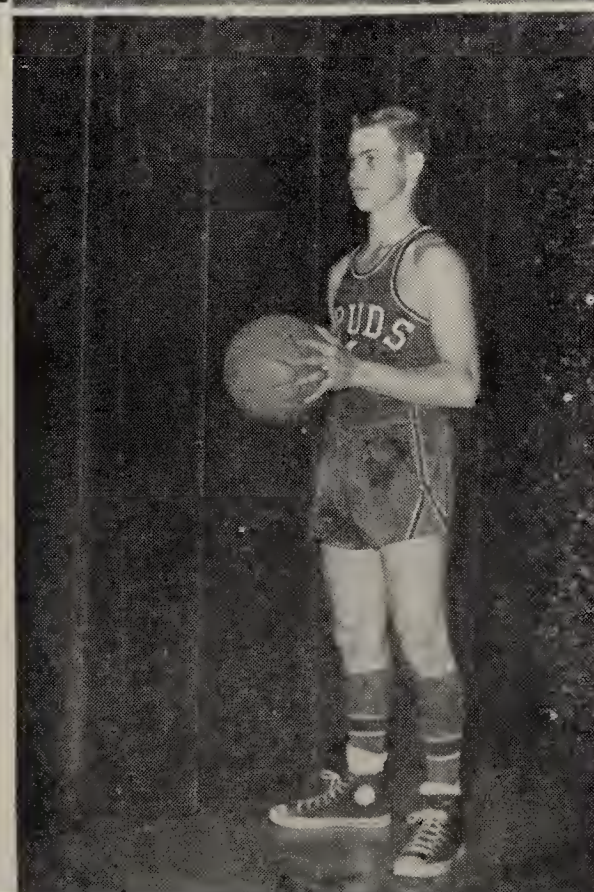

JIM WEISHEIT—a regular for two years Jim was a strong competitor for rebounds. A good shot from underneath and a tough defensive man.

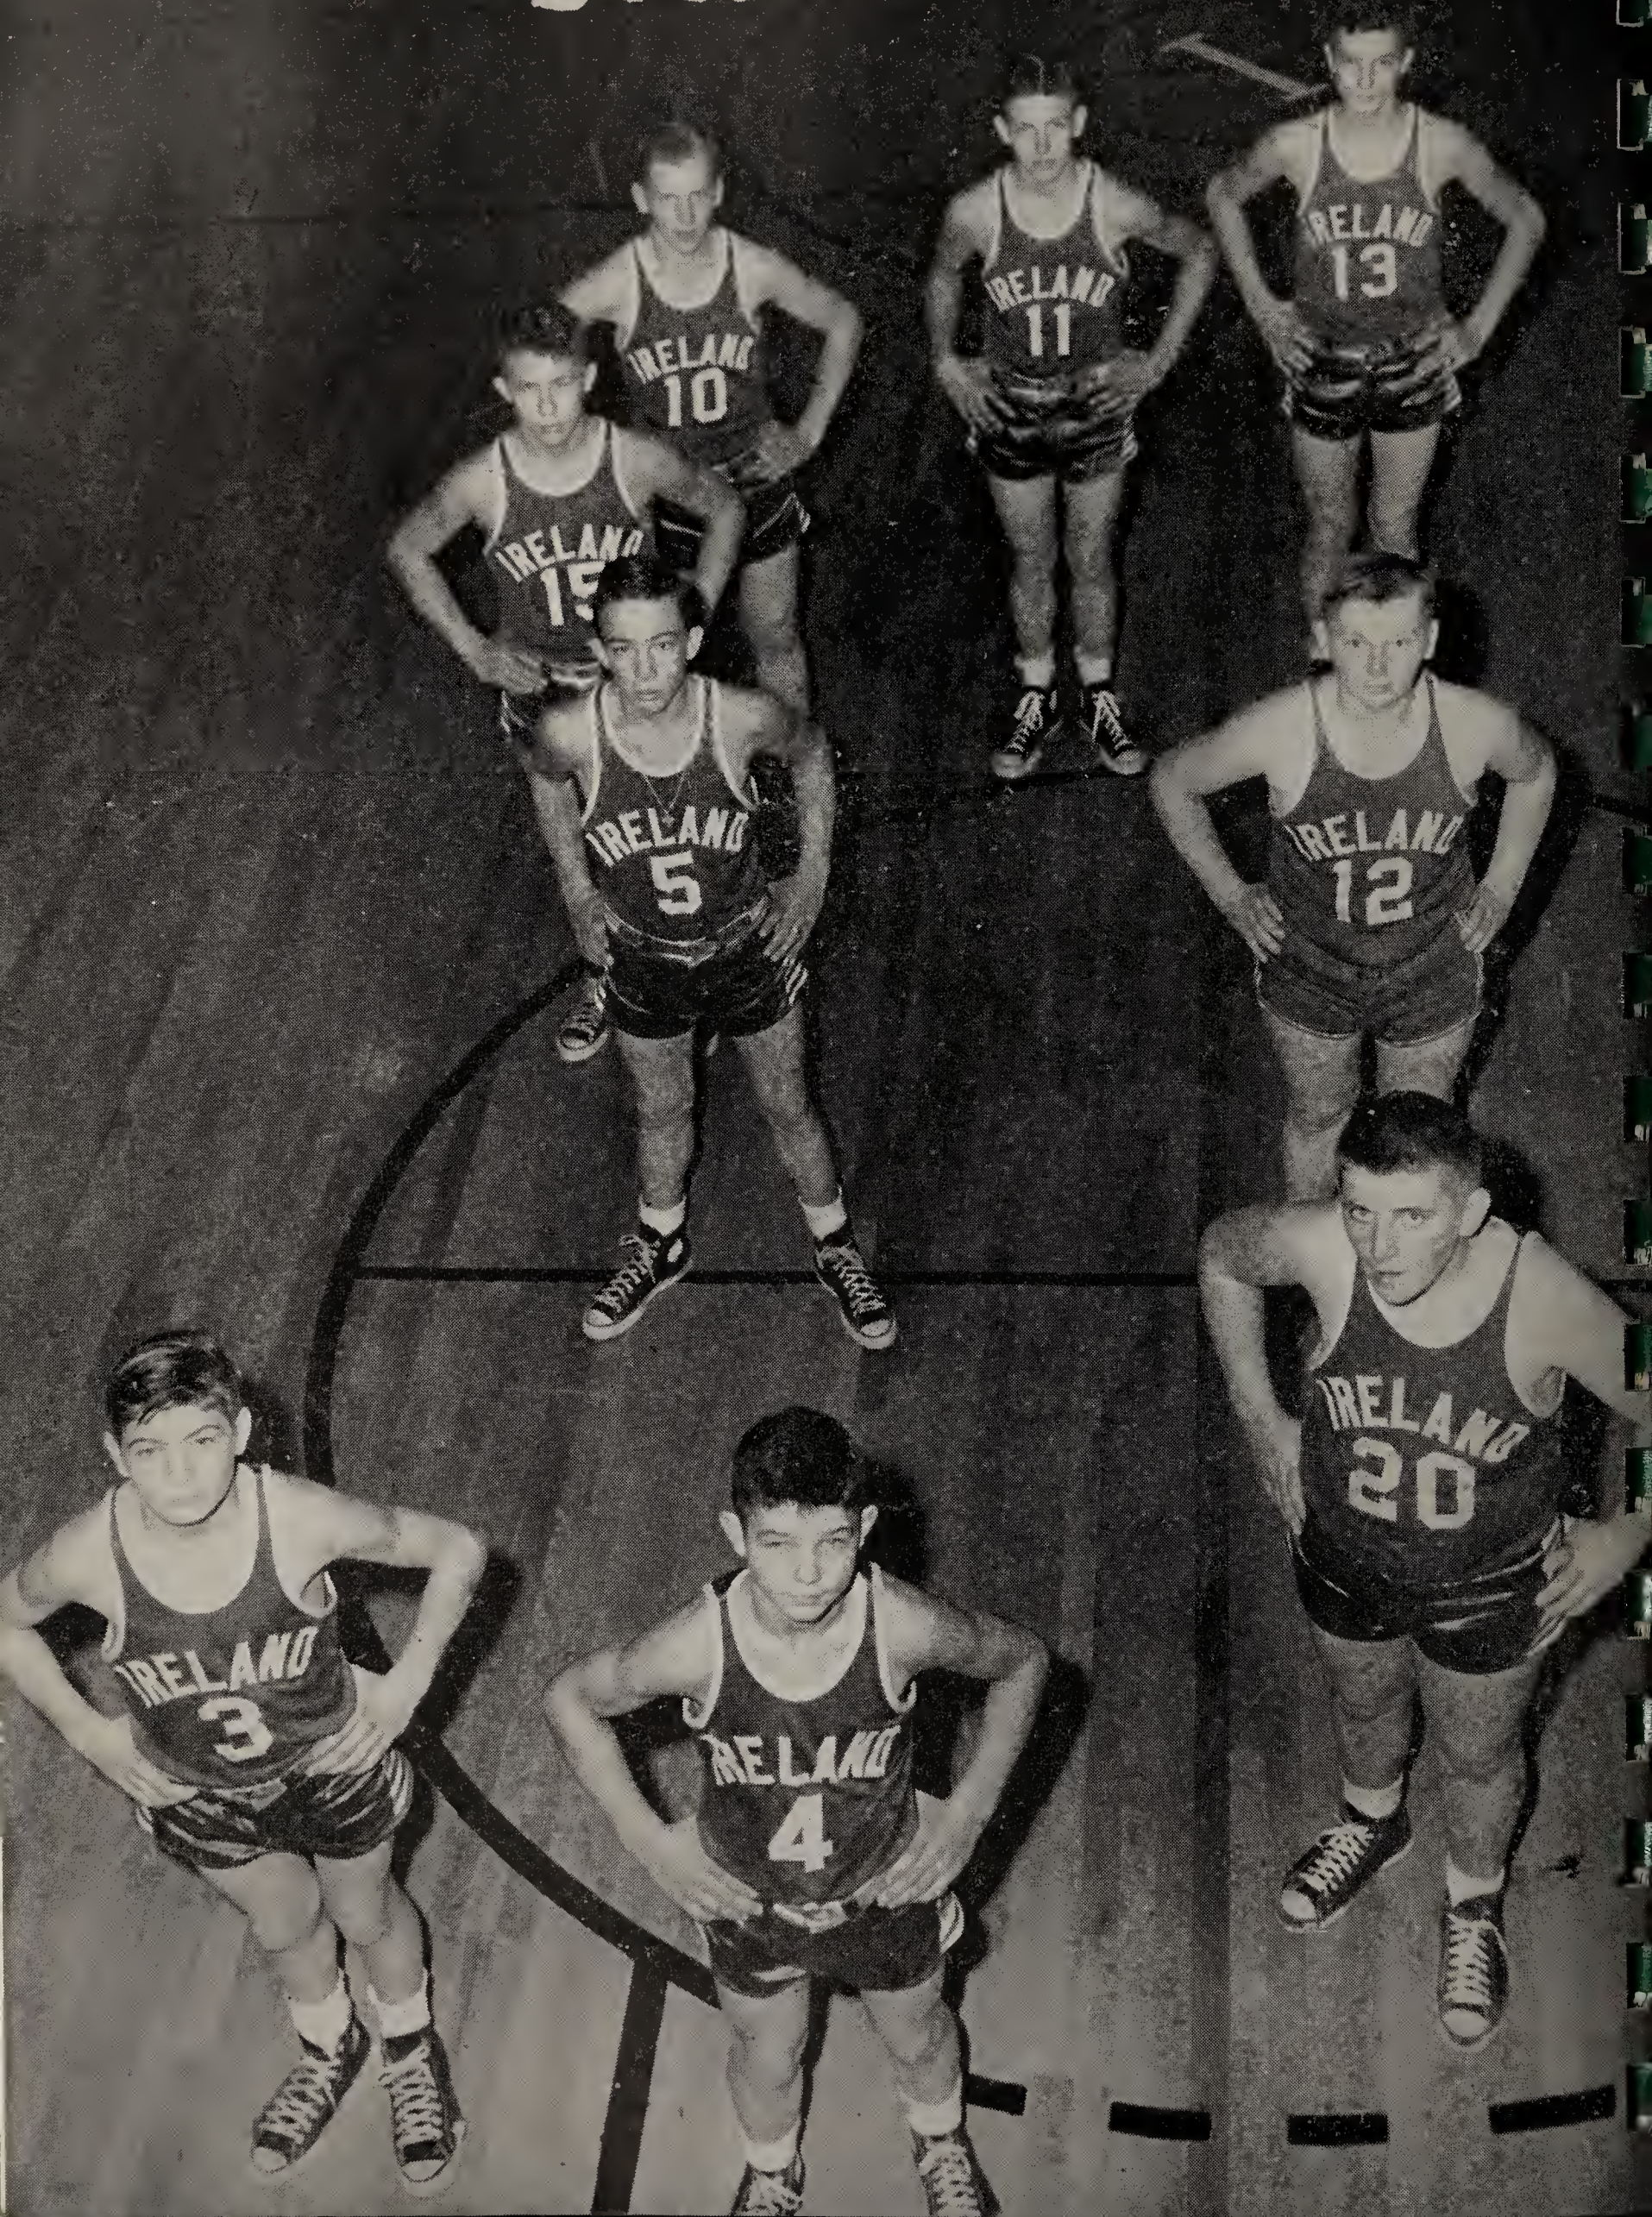

JUNIE HIMSEL—a little guard, scored plenty of points for his three years on the varsity. He was on starting five for the last two years. He was a driving type of ballplayer, but scored many shots from well out on the floor.

JEROME BUSCHKOETTER—Bushy, the dependable student manager, began his career as assistant student manager in his Sophomore year. In his Junior year he was included with the top brass. He was very active at all ball games. He has Albert Miller following in his footsteps.

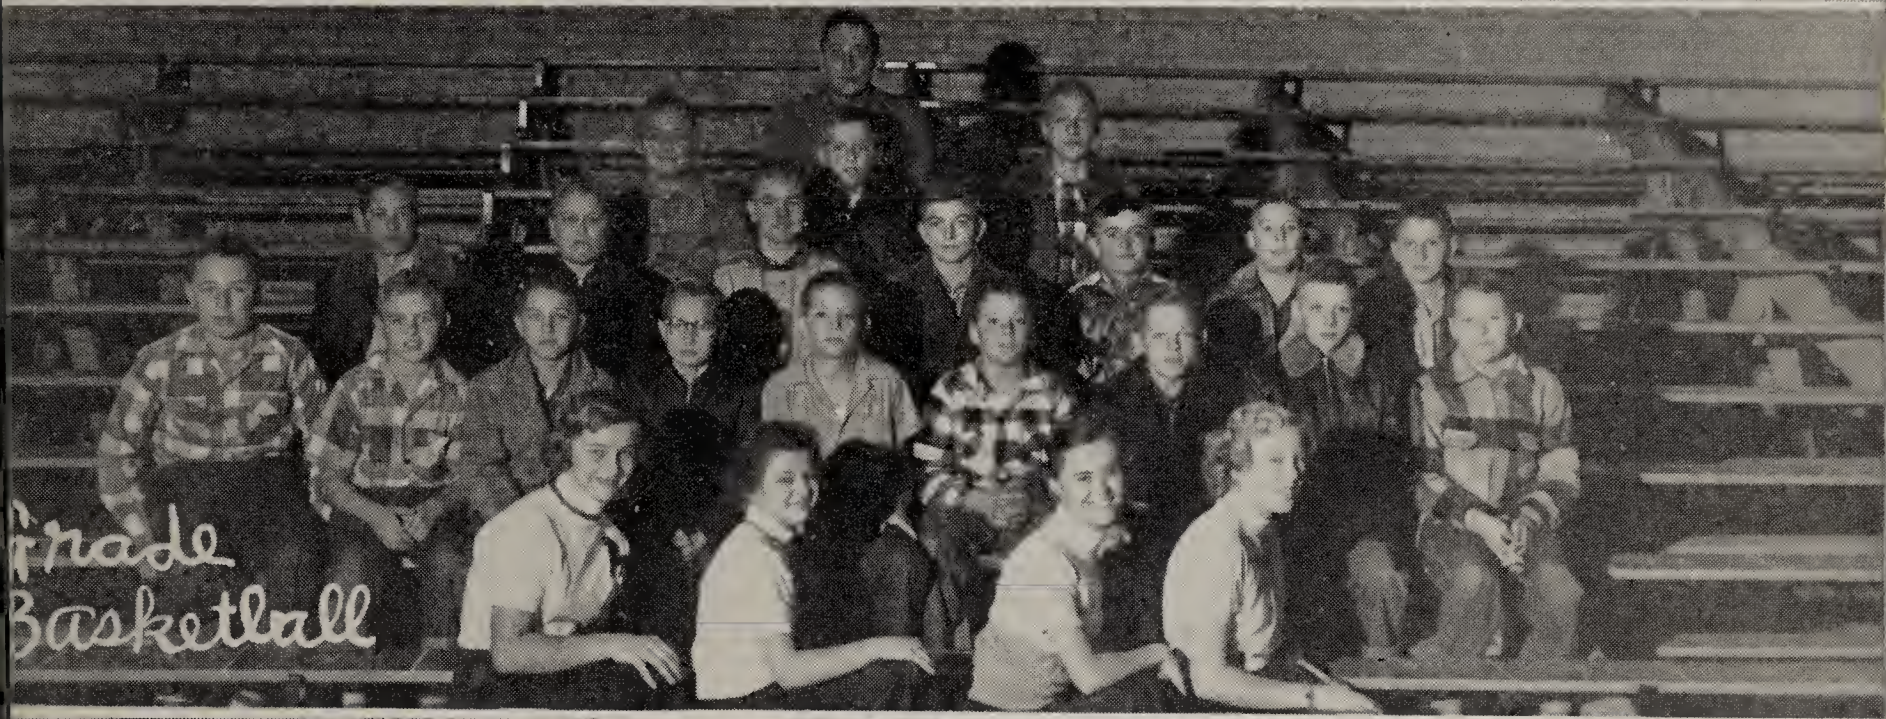

MELVIN SERMERSHEIM — a varsity member for two years, proved to be a valuable defensive man and was considered a good one-handed push shot.

Now that you're a freshman,
 How do you like Ireland High.
 Just wait till you're a silly Sophomore
 Then you'll sigh, Me, O My!

 As a Junior, you'll be jolly
 And real nice too;
 Then as a sophisticated Senior,
 You'll be the same wonderful you.

 May your life be as beautiful
 And enduring as a jewel,
 Remember always the fun we had
 At good old Ireland High School.
